

PRESS UNDER SIEGE

LT EDITORIAL TEAM

MsLadyGrim, one of our journalists, was targeted by **darlingcruz** [WSS #89] for the destruction of her Watchtower. This arose when **MsLadyGrim** attempted to engage in an interview with **darlingcruz** to hear his version of the events that took place on July 12th, when State #89 was in the process of taking over the capital to elect a president.

Luxury Time asks for respect for all our contributors because we practice journalism that practices impartiality and neutrality to ensure the highest possible transparency. Attacking our journalists will only delay our work, and we cannot share your version of events with the world.

Our media outlet will continue to practice impartiality, neutrality, and guarantee rigorous journalism, because we recognize **your right to information**. As part of our social responsibility, we reiterate your rights to our media outlet:
