## GOSSIP SNIPPET

**HOT STATE.** You can improve your sex life by joining the harem services offered by Kink Ninja from PA13 in State #89. Ehabob, one of the people who experienced the service, said it was one of the happiest moments of his life.

**FRESH MEAT.** Ricardo Rafael, known as BlindDeafMute, is hunting for fresh meat despite being married to Milene, also a Dark War player. There's plenty of "fresh meat" in #89—maybe that's why he didn't move to #94 with his wife?

**PHOTO CIRCUS.** Ever since photo "likes" became available, no one wants to be left behind! The community is eager to find their best angle, and even background actors are dying to be in the spotlight! While some feel important with every heart they receive, others are wondering if—besides uploading a photo—they also switched genders? Have you uploaded yours, or are you still waiting for the divine beauty filter?

**RECONCILIATION OR BULLETS.** WSS and RI\$E have a history filled with tension, crossfire, and unforgettable attacks. This season, the punches are back, warnings and threats have gone public, and the chat is hotter than the battlefield.

**SURVEY: WHAT DO YOU THINK ABOUT THE CREATION OR IMPLEMENTATION OF A SUPREME COURT OF JUSTICE MADE UP OF ONE MEMBER FROM EACH ALLIANCE IN THE STATE? WHEN A COMPLICATED CASE ARISES, THE PLAINTIFF AND DEFENDANT PRESENT THEIR EVIDENCE TO ATTACK OR DEFEND, AND THEN EACH JUDGE, REPRESENTING THEIR ALLIANCE, CASTS A VOTE TO DECIDE WHETHER THE DEFENDANT IS CONDEMNED OR NOT?**

On Saturday, July 19, the Luxury Time team conducted a survey among the R5s of the 10 most powerful alliances in State #89. The responses are ordered according to the sequence in which they were received:

**SpicyJo (WSS):** Isn't that just NAP? My vote is no lol its a game.

**QueenB1313 (PA13):** Oh thats actually a good idea, it keeps a good checks and balance system as long as everyone puts aside grudges.

**Bejbocha (Koi):** Sounds like fun, but who's gonna execute the ruling? That might work, there would need to be an understanding regarding who deals the "punishment", cause without that no voting makes any sense.

**Raj2226 (Inx):** Nice idea, I support this.

**FznDelight (~DAD):** I do like the idea. The problem is and always will be the enforcement.

**Mr Wujo (RI\$E):** The idea itself sounds interesting. They would have to be people who don't guided by emotions and rather a neutral one. In my opinion, it would be difficult to choose people who wouldn't favor their allies or friends. They could also choose sides under pressure from their alliance and not make fair decisions. It would still be similar to NAP, meaning it would be based on votes. NAP always had a group that voted in the same way, and they agreed with each other. However, I'd be inclined to introduce such a chamber; it's always something different and fresh for the server.

**BLBLACKSTØRM (PRG):** Its same with NAP.

**Dragmic (DRAQ):** Let people play in peace lol, NAP already has enough work... I've been R5 for over 200 days... this question was already asked at the beginning of NAP's creation lol.

As of the time of this report, the **Luxury Time** team has messaged **MrBigDEnergy (NWE)** and **CuddleFish (XOXO)** privately, but they have not responded to the survey.

**WHAT IF ROG\* CAME BACK..?**

✍La ReiNa (The author was ROG\*'s R5)

ROG\* wasn't just an alliance — it was a symbol of strength, loyalty, and for many, a home. Today, its flag no longer flies at the top, but its memory lives on in the chats, in the strategies others copied, in the players who still talk about “back when we were in ROG\*.”

Will they return? Are they waiting for the perfect moment? Or are they already among us, hidden, watching... preparing their comeback? One thing is certain: ROG\* still lives in the hearts of many.
