HAREM IN PA13, IS ENJOYABLE?

FROM STATE 89 TO 104, HOW IS IT OFFICIALLY GROUPED?

✍MsLadyGrim

With the start of the season, the pools will be reconfigured again. States 89 through 104 will be separated into two general pools, with **States 89, 90, 91, 96, 98, 101, 102, and 104** together, and **States 92, 93, 94, 95, 97, 99, 100, and 103** in a separate pool.

In a press release, the president of State 90, **King Pepé [KRAK]**, asked the developers to redo the pools, stating, "KRAK believes that grouping the servers based on parity is in the best interest of all the servers in our cluster from 89-104. The developers should lump the strongest 8 servers in one group and the weakest 8 in another group. This will give both groupings even matchups more consistently which improves competition and fun in SvS and duel league".

King Pepé request to regroup as follows:

Group A: 90, 93, 94, 96, 97, 98, 100, and 104

Group B: 89, 91, 92, 95, 99, 101, 102, and 103

**"HE TRIED A VERY LONG TIME TO GET ME TO STAY IN NWE WHEN I TOLD HIM I WAS LEAVING",
CYBORG LUCI SAID, EXR4 OF NWE**

✍MsLadyGrim

In an exclusive interview for Luxury Time, **Cyborg Luci [YĖS #93]**, ex-R4 of NWE [#89] gave us an overview of the good and bad aspects of her time in that alliance. She pointed out that she still doesn't understand why her fellow R4 members ignored her, she has a good relationship with **MrBigDEnergy** and that before she was at odds with **Rose**, now they are neutral with each other.

What is or was your relationship with BigD?

I had a really good relationship with him. I was his R4 for a very long time and I stood by him when Rose had her falling out and went rouge and tried to burn the whole server.

Just to clarify, you were never boyfriend and girlfriend, right? Just friends, or were you always acquaintances?

No just friends. I live in Sweden and he lives in the US. We got to know eachother through this game.

Of all the states, what motivated you or was the reason you chose State #93?

I gained friends I this state during the grouping and I heard that it was a calm and peaceful state which is far from state 89 where there was so much drama.

Is that the same reason you joined [YĖS] or was there another personal reason?

I have friends in YES so the choice was easy. And there are also other people from Sweden in this alliance.

Aside from the "drama" happening in State 89, were there any other, more domestic reasons that motivated you to move to State 93? For example, personal issues with MrBigDEnergy or other members of the alliance?

One of the big reasons that I chose to move was that I felt ignored by the other R4's.

Did you have no power or votes for crucial decisions within NWE?

I did but when I asked something or tired to say something I was ignored. Not by all of them but 2 of them. I will not be naming them cause that doesn't feel right.

Can you elaborate on the ignoring aspect so we can better understand the situation?

It was I think mostly a feeling but 2 of the R4's never answered me when I said something. The jumped over my comments and answered others instead. I don't know if they didn't like me or something it was just weird. I can't explain it better sadly.

BigD didn't intervene or respond to your messages?

He answered me but didn't intervene cause he didn't think it was a problem.

Does ignoring happen frequently or is it just occasional?

It was occasional.

Has your perspective on NWE improved, worsened, or remained the same since you left there and went to State #93?

**"HE TRIED A VERY LONG TIME TO GET ME TO STAY IN NWE WHEN I TOLD HIM I WAS LEAVING",
CYBORG LUCI SAID, EXR4 OF NWE**

✍MsLadyGrim

I don't feel anything for NWE anymore well. I see it as a experience I went through and it was the place I built up my base and made a lot of friends. Sadly they all disappeared when I moved to 93 so I'm guessing they weren't friends after all. Well some still talks to me. Like Korolev. We talk now and then and I miss him alot.

Next season, do you have plans to return to State #89 or are you never going back?

I'm not going back to 89. I think we can not anymore since they have changed the grouping and 89 is not in our group anymore.

If you were a crucial R4 and BigD asked you to stay, how did your situation and stay worsen in NWE?

I didn't tell them until A week before migration started and when I did BigD degraded me to R3.

When did he ask you to stay and when did he demote you? Give us more details about the timing of the events

He demoted me right after I sent the mail to the Alliance that I was leaving I did that right after the last capital we had before the migration. As for when he asked me to stay I need to check my discord to look at the day it was. The day he asked me to stay was on June 21st. I did tell the R4's and him before I told the rest of the alliance.

Did you get along well with NWE allies?

I had no beef with anyone of the allies of NWE. Maybe Rose for a short while but we sorted it out.

Does that mean you and Rose are friends now?

We are neutral against eachother.

They don't have any conflict, but they both stay out of it?

No there's no conflict we are neutral. We can talk to eachother.

What message would you send to those R4s who ignored you?

That I don't know what I ever did to them to make them ignore me but I don't care anymore I've moved on from it.

And what would you say to BigD?

That I stand by my word that if he ever needs to talk my door will always be open. He was/is a person I still care about. We've been through a lot together and that isn't something you just throw away.

As a final question, what are your expectations for NWE in the future?

I think they will grow from all this and maybe one day they will again be #1 alliance in state 89.

HAREM. From an alleged harem discovered in PA13 at a Coldplay concert to the most unexpected confessions, this season has started with laughter, chaos, and plenty of material for the newspaper. Because if one thing is clear, it's that drama never sleeps in the 89th State!

HAREM 2. EhaBob is exposed live and in person and can't confirm or deny anything! Between laughter, half-confessions, and friendly accusations, MsLadyGrim claims to have proof that EhaBob enjoyed something more than he admits...

LOVE. They say there's only one step from love to hate; MsLadyGrim and MutedStyle's frequent arguments, I don't think it's hate. Will there be a wedding in the future?

SUGGAR DADDY. Our beloved Zunyah is looking for her "sugar daddy." She shows off a photo of her feet. Some have offered, but they're not worth the money... Will she find one?

FLIRT. Recently, La ReiNa invited a new player to the WSS alliance, and Toresana started showing off her womanly skills and has him crazy, even posting a photo of himself showing off his muscles. The aforementioned guy goes by the name SweetCYRUS.

BRIBERY. Our beloved MsLadyGrim has been attacked by KingSmo0thiE. After the attack, we warned her that we were going to publish it in our newspaper. After that, KingSmo0thiE tried to bribe MsLadyGrim to keep quiet, but there were many eyes that saw the attack...

QueenB1313, PA13's R5, confirmed a harem in that alliance after the **Luxury Time** team obtained information about an alleged kink ninja harem.

We requested some documentary or photographic evidence from **QueenB1313**, who agreed and told us about several people who are part of the harem.

EhaBob is one of those members.

QueenB1313 stated that "the blond guy downstairs is our waiter, or so the rumors say." We asked who he is, and she confirmed that the guy is **Dwfan02**.
